Using Share Point to Increase Opportunities for Competitive, Integrated Employment for Students and Youth with Disabilities

What is the level of evidence?

This practice was identified by Rehabilitation Research & Training Center for Evidence-Based Practice in Vocational Rehabilitation (RRTC-EBP VR), and has been labeled by NTACT as a Promising Practice. More information on NTACT’s process for identifying effective practices is available here: NTACT’s Effective Practices.

What is the practice?

Share point is a cloud-based software staff members use to post and share ideas about best practices. It is intended to facilitate the dissemination of “innovative practice lessons learned” allow other staff members to replicate the practice while adjusting it to their local service delivery needs.

Where is the best place to find out how to do this practice?

The Special Issue from the Journal of Vocational Rehabilitation is available through the website of the RRTC-EBP-VR here: http://content.iospress.com/download/journal-of-vocational-rehabilitation/jvr708?id=journal-of-vocational-rehabilitation%2Fjvr708

You may also correspond with the RRTC-EBP-VR http://research2vrpractice.org/contact/ to request more detailed information from the original author regarding implementation of this practice.
